b. The Office of Data Processing has received a letter, via the Office of Finance, from [] offering its assistance to the Automated Compensation and Information System (ACIS) Project. This assistance would be in determining the suitability of its Department of Defense payroll system design for use on ACIS. We are in the process of studying its proposal and developing criteria to be used for the evaluation.

c. The Agency Historian was given the opportunity to review some of the 300 cubic feet of OSS records that have been declassified and are stored at the Agency Archives and Records Center before a final decision is made on whether these records should be transferred to the National Archives and Records Center.

✓ d. As of 19 December all printing requirements for the Joint Publication Research Service (JPRS) have been transferred to the Printing and Photography Division, Office of Logistics. During the next two weeks, operations at JPRS will be phased out and it is anticipated that the final transfer of remaining personnel, equipment, and supplies will be made by 9 January 1984.

f. As of 2 December 1983, we have received 785 referrals for employment from Agency employees. These referrals are in response to the November Employee Bulletin, signed by the DDCI, asking employees to refer individuals they believed were candidates for employment in the Agency. Of the 785 referrals, 200 were for clerical positions and 585 for professional and technical. So far, all of the clerical referrals and 500 of the professional and technical referrals have been contacted either by mail or by phone.
